

9001 Self Service Card Dispenser

Description

The 9001 is a coin operated card dispenser used to vend cards for use with EasyCard terminals.

The dispenser, with a capacity to accommodate up to 500 cards, is incorporated in a secure metal cabinet. A coin mechanism is also included in the cabinet to facilitate payment for cards. An audit counter details the number of coins accepted and all coins are automatically returned if the dispenser is sold out of cards.

- Up to 500 Card Capacity
- High Security Cabinet
- Multi-Coin Acceptance – MS111B1 (up to 4 coins)
- LED Display
- Reject Button
- Audit Counter
- Dimensions 330 mm x 510 mm x 210 mm

The unit is simple to install on any suitable wall and only requires provision of a standard power connection.

Once installed the unit is designed to make it easy for the administrator to refill cards and empty the coin box. The box is complete with a door alarm to warn staff if the door is tampered with.

Accessories

- 910001 Box of 1,000 Disposable Cards

EasyCard the simple way to pay!
